EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Wm. Bruce Day on April 15, 2004.

The application has been amended as follows:

Please cancel claim 3;

In claim 4, line 14, please change "A" to --a--;

In claim 4, line 22, please change the period at the end of the line to a semi-colon.

2. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims in this application is that the prior art of record does not disclose or suggest a tailgate assembly for a load carrier vehicle with left and right hinge assemblies extending from the tailgate assembly and the left and right side walls, each hinge assembly including mating components joined by a hinge rod, the hinge rod being readily removable by an operator as a whole upon a selected left or right hinge assembly; top and bottom sets of latch assemblies; wherein the tailgate assembly is selectively able to swing horizontally left or right and swing vertically from top or bottom, in combination with the other elements recited.

Art Unit: 3612

Smith (US Patent 2,806,735) discloses a tailgate assembly which is selectively able to swing horizontally left or right and swing vertically from top or bottom. Smith does not disclose that the tailgate assembly includes left and right hinge assemblies comprising mating components joined by a hinge rod, in which the hinge rod is readily removable as a whole upon a selected left or right hinge assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
